

# MEDWAY and COUNTY KENT BEEKEEPERS' ASSOCIATION

## SUBSCRIPTION NEW MEMBER 2019

At the AGM held in February it was agreed that the subscription rate for 2019 is held at £30 for full members. You receive BBKA NEWS monthly as well as third party insurance and the first 3 hives for Bee Diseases Insurance.

Ensure you have enough BDI because this insurance is INVALID if you have more colonies at the time of a claim than the total for which premiums have been paid.

The Associate membership, is unchanged at £10 but has no BBKA membership nor any insurance, this is designed for non-beekeepers and members of other beekeeping organisations.

Please complete and return the form below to the Treasurer, John Hendrie as soon as possible. The cost of BeeCraft magazine has increased to £29.75. For new subscribers the first copy will be June to fit in with our annual bulk order. If you would like extra copies before then please add £2.50 extra for each copy required. This is a 15% discount on the cover price of £35 from January 2019.

Complete the details below and then send the form together with your cheque to me.

Thank you

*John Hendrie*
